OTHER INGREDIENTS: natural vanilla flavor, xanthan gum.

SUGGESTED USE: Take one or more servings daily for optimal health and vitality. Mix two level scoops of Vega into one and a half to two cups (12 to 16 fluid ounces) of cold water and shake well. Makes a nutritionally complete and satisfying whole food shake without compromises. For those with smaller appetites, try just half a serving (one scoop). You can also use Vega as a boost to your favorite blended smoothie recipe. As with any high fiber product, start slowly and gradually increase intake over several days. Be sure to drink plenty of water with increased dietary fiber. After opening, store in a cool dry place with lid tightly closed.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.
